**Confidentiality:** This is a code of ethics per the State of Ohio

Due to the sensitive nature of information that you will know as a teacher/staff of young children, it is imperative that you keep sensitive information confidential.

Any information about children or their families must be shared on a “need to know” basis only.

**Reporting abuse or neglect:**

All employees must report all actual or suspected child abuse of any child attending the Center immediately to the Administrator/Owner or designee.

Ohio Law requires all abuse be reported to the ODJFS (Ohio Dept. Of Jobs and Family Services).

NOTE: Employers are prohibited from retaliating against staff members who make reports in good faith.

**Employee status:**

Full-time employees will be required to work 40 hours per week. Anything less is considered a part-time employee and you will not qualify for benefits. Anything over 40 hours is considered overtime and must be approved.

**Staff schedules:**

Each classroom will meet the state required ratios as listed below. Each staff member will have a different schedule to accommodate the room. Schedules will be enforced and followed to ensure we are complaint and meeting the state required standards. You should know how many children are in your class 100% of the time, without counting. Lunches or breaks will be scheduled to assure ratios are met.

- 1:5 or 2:12 Infants (0-12 months)
- 1:6 or 2:12 12-18 months
- 1:7 18 months-2 ½ years old
- 1:8 2 ½ - 3-year old's
- 1:12 3-year old's
- 1:14 4-5-year old's
- 1:18 School age children

Room A	14 children
Room B	12 children
Room C	14 children
Room D	16 children
Room E	12 children
Room F	14 children
Room G	12 children

Room J	22 children
Room K	17 children

During the 2-hour nap period ratios for toddlers and preschoolers can be doubled if the children are resting on their cots (they may get up to use the restroom). The allotted building staff members, however, must also meet the required staff/child ratio in case of an emergency. The classroom pocket doors will always remain closed, should an emergency occur, or you are briefly transitioning they may be opened.

Through a collaborative effort I am going to gradually add curriculum, special activities, and various guidelines to everyone's schedule. This will offer staff members the opportunity to grow, increase your work knowledge, and work towards a healthy, happy, consistent learning environment for our children. Our valued children will get 100% of our time during your scheduled hours.

**Requesting time off:**

A request for time off must be made 2 weeks in advance. Forms should be completed and returned for approval. You will be notified if your time has or has not been approved. Do not assume because you turn in a request that it is automatically approved. Each classroom must have appropriate staffing and that will be taken into consideration before time off can be approved.

Absences: Staff members who are ill must report off a minimum of two (2) hours before their scheduled work time. This call must be placed to the Center at 740-

587-3076 and directly to Britney Lang, Administrator, at 740-334-5366. Leave a message if necessary. Please understand reliable staff is extremely important in this field and is an expectation for employment and professional growth.

When you call off or you are late it **directly** affects the families, the students, the staff, and the Center. We count on you to be at work and to be on time. Missed work will be addressed with the following: First offense, verbal discussion, Second offense, verbal warning, Third offense, written warning, Fourth offense, possible termination. Three or more days during your 90-day probation period will result in termination.

Car trouble: Please arrange back up transportation to bring you to work with a family member or a friend in a timely manner. It is your responsibility to notify the Center if you are going to be late or absent. Failure to do this may result in immediate termination.

In order to assure your payroll is accurate you are responsible for clocking in and out daily using ProCare. This is the most effective way to document your work time. All employees are required to clock in and out when they come and go from the Center. Failure to clock in and out may result in a delay or loss of paid hours. Daycare Centers are state regulated, and it is especially important that you show up to work, arrive on time and are ready to greet parents and children with a smile.

#### **Orientation:**

All new employees will be orientated to the Kids Education & Recreation policies and procedures. Such an orientation should begin the 1st day of employment and continue throughout the first 30 days. It is always each staff member's responsibility to uphold the Centers expectations.

### **Introductory period:**

Each Staff member will be on a 90-day probationary period. This will offer the Center time to determine if you meet our expectations to be a member of Kids Education & Recreation team. Once you successfully complete your 90-day probationary period you will be moved to the next level of pay and

responsibilities and you will receive a refund of up to \$60 for the cost of your BCI/FBI.

**Outside employment:**

If Kids Education and Recreation determines that an employee's activities outside of work interfere with their performance and ability to meet scheduling requirements of this Center, the employee may be asked to prioritize their schedule if they wish to remain with Kids Education & Recreation.

**Positive Disciplinary action:**

It is an expectation that you will follow all policies and procedures for a smooth operation and for the safety of the children in your care. However, everyone occasionally will make mistakes and need guidance for optimal performances of teaching duties. When an employee needs guidance, progressive discipline procedures will be followed and offered based on the performance violation with a plan in place.
