## **Employee Handbook**

---

### **Welcome to Kids Education & Recreation**

It is our goal to make each parent feel completely at ease when they leave their children in our care. As an employee of Kids Education & Recreation it will be your responsibility to exemplify excellence and quality service and care.

By following the employee policy and procedures outlined in this handbook, you will meet or exceed the *expected standards* set forth by Kids Education & Recreation, our insurer and licensing agency.

This handbook will provide you with information about our policies, procedures, rules, and benefits. If this does not answer your questions with complete clarity, please feel free to ask the Administrator, Owner, or Designee for assistance with any questions you may have.

### **At-Will Employment:**

This handbook has been prepared to provide you with information and guidelines. It is not a contract of employment between Kids Education & Recreation and you, as the employee. Since Ohio is an at-will employment state, you are not under contract for employment. Thus, employment with Kids Education & Recreation is not for a definite term. The Center, or you (with notice), may terminate employment at any time with a two-week notice, for any reason, or for no reason at all. The only exception to an at-will employee will be if an employee is working under a specific employment agreement.

### **Statement of Policy:**

Kids Education & Recreation will offer fair treatment of all employees. Our Center strives to maintain a work environment in which all staff members are free from

harassment and prohibits any form of unlawful harassment of employees and or co-workers related to race, color, religion, creed, gender, national origin, age, marital status, veteran status, sexual orientation, or the presence of a handicap or disability. However, all employees must be physically able to safely care and supervise young children.

**Equal Employment Opportunity:**

To provide equal employment and advancement opportunities to all individuals, employment decisions at Kids Education & Recreation will be based on merit, qualifications and ability.

**Illnesses:** All staff will follow the CDC, Licking County Health Department, and KER guidelines.

**Accident/Incident Reports of Children Enrolled:**

All accidents must be reported immediately to the Administrator/Owner or person designated by the Administrator/Owner left in charge of the Center in her absence. Incident reports must be completed accurately, in writing and signed by the employee who witnessed or discovered the incident. A signed copy will be made for the child's file and a copy must be given to the parent and signed by the parent on the date of the incident. Incident reports should not be sent through ProCare Engage.

The following would require an incident report:

- Illness that requires first aid treatment.
- Accident/injury that requires first aid treatment.
- Bump or blow to the head.
- Emergency transport.

Risk management should always be observed to keep classrooms and the outside areas free from hazards.

---

**State Licensing Rules and Regulations:**

All employees are expected to be knowledgeable and practice the required standards for childcare. #### **Sexual and Other Unlawful Harassments:**

Harassment will not be tolerated in any way, shape, or form. KER has a zero tolerance for sexual, or any other type of harassment. Harassment of any kind will lead to disciplinary action which may include immediate termination.

#### **Redirection of Children:**

Kids Education & Recreation believes that helping children learn self-control is vital. We will treat all children with great respect and love; our expectations will be kept within the child's capabilities. Positive reinforcement and redirection will be used routinely. Any physical contact of a child as a means of controlling behavior will not be tolerated at Kids Education & Recreation and will lead to immediate termination, and charges could be filed against you according to the law.

#### **Child Abuse Prevention Policy:**

The mission of Kids Education & Recreation is to nurture all children entrusted in our care in a warm and loving environment. In keeping with that, this policy seeks to assure that our Center is continually working towards providing an environment safe from physical, mental, or sexual abuse for those participating and receiving childcare services. All employees should have appropriate communication with parent/legal guardian of the children enrolled. We always operate with an open-door policy.

the parent through ProCare Engage. Your personal device should never be used to communicate with the KER families.

If your students' parent has requested no photos of their child, this includes bulletin board postings, artwork, etc.

There will be repercussions to any violations of the above rules. Depending on the severity of the offense and at the Administrator/Owner's discretion, violations may be followed by written warning, two-day suspension, and/or termination of employment.

**Confidentiality:** This is a code of ethics per the State of Ohio.

Due to the sensitive nature of information that you will know as a teacher/staff of young children, it is imperative that you keep sensitive information confidential. Any information about children or their families must be shared on a "need to know" basis with the Administrator, Owner, or Designee.

**Reporting Abuse or Neglect:**

All employees must report all actual or suspected child abuse of any child attending the Center immediately to the Administrator, Owner, or Designee.

Ohio Law requires all abuse be reported to the ODJFS (Ohio Department of Job and Family Services).

NOTE: Employers are prohibited from retaliating against staff members who make reports in good faith.

**Employee Status:**

Full-time employees will be required to work 40 hours per week. Anything less is considered a part-time employee and you will not qualify for benefits. Anything over 40 hours is considered overtime and all overtime must be pre-approved.

**Staff Schedules:**

Each classroom will meet the state required ratios as listed below. Each staff member will have a different schedule to accommodate the classroom needs. Schedules will be enforced and followed to ensure we are compliant and meeting the state required standards. You should know how many children are in your class 100% of the time, this should be done with a visual check and a head count. Your roster should always match the children in your care. Lunches or breaks will be scheduled to assure ratios are met.

You should be in your room with your students at the start of your scheduled shift. If you are scheduled to start at 8:00 a.m. you should be in your classroom with your kids at 8:00 a.m. At the end of the day as ratios are reduced, you may be asked to change classrooms, help clean to assure the center is ready to open the next day or leave prior to the end of your shift. This will be rotated among staff as needed.

**Staff/Child Ratios and Group Size per the State of Ohio:**

1:5 or 2:12	0-12 months
1:6 or 2:12	12-18 months
1:7 or 2:14	18 months - 2 ½-years old
1:8 or 2:16	2 ½ - 3-years old
1:12	3-years old
1:14	4-5-years old
1:18	School-age children

During the two-hour nap period, ratios for toddlers and preschoolers can be doubled if the children are resting on their cots (they may get up to use the restroom). The allotted building staff members must always remain on site to meet the required staff/child ratio in case of an emergency. The classroom pocket doors will always remain closed. Should an emergency occur, or you are briefly transitioning, they may be opened.

Lead teachers and assistant teachers will be responsible for their classroom curriculum, special activities, weekly art, and recreational activities. This will offer staff members the opportunity to grow, increase your work knowledge, and work towards a healthy, happy, consistent learning environment for our children. Our valued children will get 100% of our team’s time during your scheduled hours.

**Requesting Paid Time Off:**

A request for time off must be made a minimum of 2 weeks in advance and must be in writing. Forms should be completed, dated, and returned for approval. You will be notified if your time has or has not been approved. Do not assume because you turn in a request that it is automatically approved. Each classroom must have appropriate staffing and that will be taken into consideration before time off can be approved.

Absences: Staff members who are ill must report off a minimum of two (2) hours before their scheduled work time. This call must be placed to the Center at 740-587-3076 and directly to Britney Lang, Owner, at 740-788-2387. Leave a message if necessary. Please understand reliable staff are extremely important in this field and is an expectation for employment and professional growth. When you call off or you are late, it **directly** affects the families, the students, the staff, and the Center. We count on

you to be at work and to be on time. Full time staff who have earned PTO time will use their PTO time for any absence or requested time off as applicable.

Car Trouble: Please arrange back up transportation to bring you to work with a family member or a friend in a timely manner. It is your responsibility to notify the Center if you are going to be late or absent. Failure to do this may result in immediate termination.

### **Employee/Applicant Childcare Discounts:**

Employee and applicant childcare discounts will be evaluated on an individual basis. Factors that will be considered will be the applicants experience, the current enrollment status of KER and the position(s) available. Employees receiving the childcare discount must work their scheduled hours to maintain their discount. KER may approve a maximum of six weeks of leave without pay per year while honoring the employee's childcare discount with a physician's excuse. This decision will be based on the employee's work record to include attendance and performance. Employee childcare discounts may change or be eliminated at the owner's discretion. If your child interferes with your work environment or you disclose your confidential tuition discount, this benefit will be discontinued. If your billing becomes delinquent, we will follow the standard KER policies. If the employee does not return after the six weeks leave of absence, all childcare costs, to include the discounted rate, will be due and withheld from their last pay and/or the balance due must be paid back to KER for the childcare services.

### **Clocking In and Out:**

In order to assure your payroll is accurate, you are responsible for clocking in and out daily using ProCare. This is the most effective way to document your work time. All employees are required to clock in and out when they come and go from the Center. Failure to clock in and out may result in a delay or loss of paid hours. Childcare centers are state regulated, and it is especially important that you show up to work, arrive on time, and are ready to greet parents and children with a smile. **You must be in your room ready for your class at your start time.** All overtime must be pre-approved.

### **Orientation:**

All new employees will be oriented to the Kids Education & Recreation policies and procedures. Such an orientation should begin the first week of employment and continue throughout the first 30 days. It is always each staff member's responsibility to uphold the Center's high standards.

### **The new hire KER orientation program will cover the following and is mandatory:**

**Training: State Required Training (must always remain current):**

The Center will pay for your initial certification(s) after your probation period expires, for example Child Abuse. We will make every effort to schedule training during regular work hours, but that may not always be possible. You may have to complete your required certifications on your own time when necessary. If your employment with KER ends within one year of any training that the center has paid for, those training costs will be withheld from the employees last pay.

All staff members must complete the following training:

- **Orientation Training Class\***. (Required before you start).
- **Child Abuse Recognition and Prevention\***. Initial class required with a 1-hour refresher course required every 2 years. (Required before you start).

Any certifications, to include, BCI/FBI paid for by the Center, general receipt refunds will be withheld from the employees last pay if they are not employed with KER for at least one year. All KER clothing provided by Kids Education & Recreation must be returned upon your departure. A standard \$75 uniform fee will be withheld from your final pay if your KER clothing is not returned before your next scheduled pay period.

**Introductory Period:**

Each Staff member will be on a 180-day probationary period. This will offer the Center time to determine if you meet the KER standards and expectations to be a member of the Kids Education & Recreation team. Once you successfully complete your 180-day probationary period you may be moved to the next level of pay and responsibilities, and you will receive a refund of up to \$60 for the cost of your BCI/FBI if a receipt has been submitted after your 180-day probationary period.

**Outside Employment:**

If Kids Education & Recreation determines that an employee's activities outside of work interfere with their performance and ability to meet scheduling requirements of this Center, the employee may be asked to prioritize their schedule if they wish to remain with Kids Education & Recreation. Please note, it is considered a conflict of interest to engage in any employment that involves KER clients or staff, for example, babysitting.

**Positive Disciplinary Action:**

It is an expectation that you will follow all policies and procedures for a smooth and professional operation and for the safety of the children in your care. However, everyone occasionally will make a mistake and need guidance for to accomplish optimal performance and teaching duties. When an employee needs guidance, progressive training and or disciplinary procedures will be followed and offered based on the performance violation with a plan in place.
